

Slideshows

General Suggestions

Length of Time: 8-12 minutes on average for the entire show; 3-4 seconds per slide

Acceptable Formats:

-MP4 or MPEG-4 format and then send it to us using a large file sharing service such as Dropbox (www.dropbox.com)

Please send final slideshow to us no later than 10 days before the date of your party.

Program Suggestions

Having a professional create your slideshow for you and using our equipment to show it?

We'll need the final slideshow sent to us no later than 10 days before your event.

Creating your own slideshow? Here are programs that work well:

-Mac: iPhoto / iMovie

-PC: Windows Movie Maker / Nero / Pro Show

Want us to create the slideshow? \$350 for creation only (*Equipment for viewing additional cost, see below*)

- Photos & Music choices due to us no later than 3 weeks prior to event
- All photos must be digital copies
- Total of 75-125 photos and up to 4 song choices
- Photos & music must be organized and placed in specific order if desired

See Viewing options on next page...
