

Foosball Table Setup

1. Place foosball table where you want it to be, if it is on wheels make sure you take them off.
2. Take everything out of the table and separate the players by color.
3. Screw in plastic safety tubes first. Use the pictures for reference on where each tube goes.
4. Pick one color and start placing the poles in where they belong. Refer to the photo on the right to see where each goes.
5. Repeat step 4 with the other color players on the other side of the table.
6. Refer to the photo on the bottom right to see how the poles mount to the table.
7. Use the accessories kit for any parts that might be missing.
8. Make sure the soccer players are facing the proper direction.
9. Place a couple of foosball balls in the table once you are finished.
